Community Highlights

Our Meet the Candidates event for Orange County District 5 held on April 9 was a huge success. About 30 residents showed up at the Fairview Shores Library to ask questions one-on-one of candidates Kelly Semrad and Joy Goff-Marcil. Candidate Joel A. Montilla could not make the meeting, but we hope to have him attend a future event to speak.

Candidates were asked questions about traffic safety and improvements, protection of rural areas, affordable housing, and other topics of local concern.

We installed a new little free library on 815 Carlson Drive, near Adanson Street. This makes 15 little free libraries within our safe neighborhoods district. The libraries primarily contain children's and young adult books and have seen a lot of activity. Consider borrowing or donating books from one of our LRSN little free libraries.

Lee Road residents spent several hours on Sunday, January 28, cleaning up trash along Lee Road and nearby streets. We picked up several hundred pounds of trash. Thank you to everyone who volunteered. Keep checking out Facebook page and sign up for our email to get notified about upcoming clean-ups.
