Orlo Vista Community Garden

Did you know Orlo Vista Park provides a COMMUNITY GARDEN, behind its outdoor shuffleboard courts? The garden group is always looking for added members to participate in this wonderful agrarian (farm-like) experience. The area consists of numerous raised-beds and water usage. More information can be learned by chatting with Orlo Vista's Orange County Parks and Recreation staff and participants tending at the community garden, or by coming to Orlo Vista United Safe Neighborhood's Community monthly meetings the 3rd Tuesday each month. Wouldn't you like to start a vegetable garden? An aside: You'll also see the Orlo Vista United Safe Neighborhood "READER BOARD" along Powers Drive near the park's main entrance; welcome ALL garden enthusiasts!

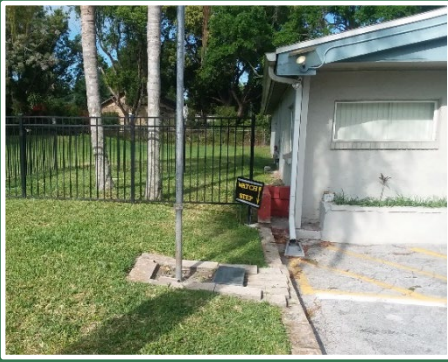

Orlo Vista Flood Mitigation Project

Orange County's Public Works Department gave a detailed PowerPoint presentation update regarding the flood mitigation project at the Orlo Vista United Safe Neighborhood (OVUSN) Community Meeting held on May 21. Attendees asked many questions, which were answered by County Staff! Generally, this project is about 77% complete; however, due to supply-chain issues, the pump station will not be complete until Spring 2025. For now, we depend upon the existing pump station, two mobile pumps and two additional backup pumps.

Do you want to know more of issues, concerns and improvements in our area? Come to OVUSN monthly community meetings, held the 3rd Tuesday each month at 7 p.m., at the Orlo Vista Chamber of Commerce, 38 S. Hastings St. 32835.

Fundraiser Orlo Vista Chamber of Commerce (OVCoFC) has begun its first fundraiser, which is to have a patio (esplanade) built around our flagpole and granite marker, inscribed with "Orlo Vista First Volunteer Fire Station 1953." The patio will consist of Vitralase/Vitrix Laser Engraved Bricks [4x8 and 8x8 red paver-bricks (some clip art options available)]. This will be a place to honor God, memorialize all military, residents/nonresidents, yourself, and commemorate loved ones, family, friends, businesses, churches/places of worship, schools, service members, firefighters, law enforcement officers, medical fields, eateries, athletes, volunteers, mentors, students, nurseries, institutions, organizations, artists,

dancers, etc. All are welcome to make this goal a reality. We kept the prices reasonable per paver. The OVCoFC is OUR meeting hall for Orlo Vista United Safe Neighborhood; WE volunteer our efforts in tandem! Would you like to leave a landmark brick at the OVCoFC? Check for updates on Facebook, Nextdoor, orlovista.net, and OVUSN meetings.

Call 3-1-1. It works!

Careless actions of DEBRIS DUMPING started to occur on SIDSAM DRIVE, a once platted curb adjacent to the main entrance of our most IMPORTANT Orlo Vista Flood Mitigation Project, which is designed to PROTECT area residents, homes, and businesses. By contacting Orange County's 3-1-1, action was taken by Orange County by gating the Sidsam Drive curb. Don't assume someone else may make call(s). Most people have phones and can either call 3-1-1 or 407-836-3111. There is also an app option or go online at ocfl.net. Be a good example to our community; and what children see, our next generation. The future is in OUR hands!
